The specification has been amended to include the attached Sequence Listing.
The attached paper copy of the Sequence Listing is the same as the paper and computer readable copies of the Sequence Listing filed in the parent application Serial No. 09/214,759. No new matter has been added. The Office is requested to use the computer readable form of the Sequence Listing from the parent application Serial No. 09/214,759, for the present application. A separate Request in this regard is attached.

An early and favorable Action on the merits is requested.

Respectfully submitted,
